

The pests included in Table 1 are known to be associated with *M. domestica* and are regulated by at least one contracting party. The list of pests is not intended to be exhaustive.

International Plant Protection Convention

Table 1: Pests associated with fresh *Malus domestica* fruit *EU regulations also cover Northern Ireland.

Pest type	Family	Species	Country/Territory	Sources
Insect (Coleoptera)	Curculionidae	<i>Anthonomus pomorum</i>	India, Mexico, United States of America	Information provided by NPPO of India, Lista de plagas reglamentadas de México (2018), US Regulated plant pest table (2023)
Insect (Coleoptera)	Curculionidae	<i>Anthonomus quadrigibbus</i>	China, EU, Great Britain.	Catalogue of Quarantine Pests for Import Plants to China (2007 - updated 2022), EU legislation: 2019/2072 and 2016/2031, GB Phytosanitary Conditions Regulation (retained regulation (EU) 2019/2072)
Insect (Coleoptera)	Byturidae	<i>Byturus tomentosus</i>	India, United States of America	Information provided by NPPO of India and US Regulated plant pest table (2023)
Insect (Coleoptera)	Attelabidae	<i>Rhynchites bacchus</i>	China	Catalogue of Quarantine Pests for Import Plants to China (2007 - updated 2022).

Insect (Diptera)	Tephritidae	<i>Anastrepha fraterculus</i> species complex	EU, Morocco, New Zealand, Tunisia, United States of America.	EU legislation: 2019/2072 and 2016/2031, GB Phytosanitary Conditions Regulation (retained regulation (EU) 2019/2072), Morocco Order of the Minister of Agriculture, Maritime Fisheries, Rural Development and Water and Forests No. 593-17 of 15 kaada 1438 (August 8, 2017) relating to the health inspection of plants, plant products and other objects to be import, New Zealand"s list of regulated pests (2023), Tunisia Arrêté du Ministre de l'Agriculture du 31 mai 2012, fixant la liste des organismes de quarantaine (2019), US Regulated plant pest table (as <i>Anastrepha sp.</i>) (2023).
------------------	-------------	---	--	---

Insect (Diptera)	Tephritidae	<i>Anastrepha serpentina</i>	EU, Morocco, Mexico, New Zealand, United States of America	EU legislation: 2019/2072 and 2016/2031, Morocco Order of the Minister of Agriculture, Maritime Fisheries, Rural Development and Water and Forests No. 593-17 of 15 kaada 1438 (August 8, 2017) relating to the health inspection of plants, plant products and other objects to be import, Lista de plagas reglamentadas de México (2018), New Zealand's list of regulated pests (2023), US Regulated plant pest table (2023)
------------------	-------------	------------------------------	--	--

Insect (Diptera)	Tephritidae	<i>Bactrocera dorsalis</i> species complex	EU, Mexico, Morocco, New Zealand, Tunisia, United States of America	EU legislation: 2019/2072 and 2016/2031, Lista de plagas reglamentadas de México (2018), Morocco Order of the Minister of Agriculture, Maritime Fisheries, Rural Development and Water and Forests No. 593-17 of 15 kaada 1438 (August 8, 2017) relating to the health inspection of plants, plant products and other objects to be import, New Zealand's list of regulated pests (2023), Tunisia Arrêté du Ministre de l'Agriculture du 31 mai 2012, fixant la liste des organismes de quarantaine (2019), US Regulated plant pest table (2023)
------------------	-------------	--	---	--

Insect (Diptera)	Tephritidae	<i>Bactrocera tryoni</i>	EU, Great Britain, India, Mexico, Morocco, New Zealand, Tunisia, United States of America.	EU legislation: 2019/2072 and 2016/2031, GB Phytosanitary Conditions Regulation (retained regulation (EU) 2019/2072), GB Phytosanitary Conditions Regulation (retained regulation (EU) 2019/2072), Information provided by NPPO of India, Lista de plagas reglamentadas de México (2018), Morocco Order of the Minister of Agriculture, Maritime Fisheries, Rural Development and Water and Forests No. 593-17 of 15 kaada 1438 (August 8, 2017) relating to the health inspection of plants, plant products and other objects to be import, New Zealand"s list of regulated pests (2023), Tunisia Arrêté du Ministre de l'Agriculture du 31 mai 2012, fixant la liste des organismes de quarantaine (2019), US Regulated plant pest table (as <i>Bactrocera sp</i>)(2023).
------------------	-------------	--------------------------	--	--

Insect (Diptera)	Tephritidae	<i>Ceratitis capitata</i>	Belarus, India, Mexico, New Zealand, Territory of Taiwan, Thailand, United States of America	Belarus List of quarantine pests of the Eurasian Economic Union (2016 Updated 2023), Information provided by NPPO of India, Lista de plagas reglamentadas de México (2018), New Zealand's list of regulated pests (2023), Information provided by the territory of Taiwan, Information provided by the NPPO of Thailand, US Regulated plant pest table (2023).
------------------	-------------	---------------------------	--	--

Insect (Diptera)	Tephritidae	<i>Ceratitis rosa</i>	EU, India, Israel, Mexico, Morocco, New Zealand, Tunisia	EU legislation: 2019/2072 and 2016/2031, Information provided by NPPO of India, Israel Plant Import regulations (2009), Lista de plagas reglamentadas de México (2018), Morocco Order of the Minister of Agriculture, Maritime Fisheries, Rural Development and Water and Forests No. 593-17 of 15 kaada 1438 (August 8, 2017) relating to the health inspection of plants, plant products and other objects to be import, New Zealand's list of regulated pests (2023), Tunisia Arrêté du Ministre de l'Agriculture du 31 mai 2012, fixant la liste des organismes de quarantaine (2019).
Insect (Diptera)	Cecidomyiidae	<i>Dasineura mali</i>	China	Catalogue of Quarantine Pests for Import Plants to China (2007 - updated 2022).

Insect (Diptera)	Tephritidae	<i>Rhagoletis pomonella</i>	Belarus, Canada, EU, Great Britain, India, Mexico, Morocco, New Zealand, Norway, Tunisia	Belarus List of quarantine pests of the Eurasian Economic Union (2016 Updated 2023), Canada D-95-08: Phytosanitary import requirements for fresh temperate fruits and tree nuts (2019), EU legislation: 2019/2072 and 2016/2031, GB Phytosanitary Conditions Regulation (retained regulation (EU) 2019/2072), Information provided by NPPO of India, Lista de plagas reglamentadas de México (2018), Morocco Order of the Minister of Agriculture, Maritime Fisheries, Rural Development and Water and Forests No. 593-17 of 15 kaada 1438 (August 8, 2017) relating to the health inspection of plants, plant products and other objects to be import, New Zealand's list of regulated pests (2023), Regulations on plants and measures against plant pests Annex 1 Pests which are prohibited to introduce and spread in Norway (2013 updated 2019), Tunisia Arrêté du Ministre de l'Agriculture du 31 mai 2012, fixant la liste des organismes de quarantaine (2019),
------------------	-------------	-----------------------------	--	---

Insect (Diptera)	Tephritidae	<i>Rhagoletis spp</i>	China, EU, Israel	Catalogue of Quarantine Pests for Import Plants to China (2007 - updated 2022), EU legislation: 2019/2072 and 2016/2031, Israel Plant Import regulations (2009).
Insect (Hemiptera)	Diaspididae	<i>Diaspidiotus pyri</i>	Canada	Canada D-95-08: Phytosanitary import requirements for fresh temperate fruits and tree nuts (2019).
Insect (Hemiptera)	Aphididae	<i>Eriosoma lanigerum</i>	China, Norway,	Catalogue of Quarantine Pests for Import Plants to China (2007 - updated 2022), Regulations on plants and measures against plant pests Annex 1 Pests which are prohibited to introduce and spread in Norway (2013 updated 2019).
Insect (Hemiptera)	Diaspididae	<i>Lepidosaphes ulmi</i>	China, India, Mexico	Catalogue of Quarantine Pests for Import Plants to China (2007 - updated 2022), Information provided by NPPO of India, Lista de plagas reglamentadas de México (2018).

Insect (Hemiptera)	Pseudococcidae	<i>Pseudococcus calceolariae</i>	Belarus, India, Israel, Morocco	Information provided by NPPO of India, Israel Plant Import regulations (2009).
Insect (Hemiptera)	Pseudococcidae	<i>Pseudococcus comstocki</i>	Belarus, India, Israel, Mexico, Morocco	Belarus List of quarantine pests of the Eurasian Economic Union (2016 Updated 2023), Information provided by NPPO of India, Israel Plant Import regulations (2009), Lista de plagas reglamentadas de México (2018), Morocco Order of the Minister of Agriculture, Maritime Fisheries, Rural Development and Water and Forests No. 593-17 of 15 kaada 1438 (August 8, 2017) relating to the health inspection of plants, plant products and other objects to be import.
Insect (Hemiptera)	Pseudococcidae	<i>Pseudococcus viburni</i>	China, India, Mexico	Information provided by NPPO of India, Lista de plagas reglamentadas de México (2018).
Insect (Hymenoptera)	Tenthredinidae	<i>Ametastegia glabrata</i>	India	Information provided by NPPO of India.

Insect (Hymenoptera)	Tenthredinidae	<i>Hoplocampa testudinea</i>	India, China	Catalogue of Quarantine Pests for Import Plants to China (2007 - updated 2022), Information provided by NPPO of India.
Insect (Lepidoptera)	Tortricidae	<i>Acleris senescens</i>	EU, Great Britain, Switzerland.	EU legislation: 2019/2072 and 2016/2031, GB Phytosanitary Conditions Regulation (retained regulation (EU) 2019/2072), List of Regulated Pests from Switzerland, Information leaflet Nr.1.(2022).
Insect (Lepidoptera)	Tortricidae	<i>Acropolitis rudisana</i>	Canada	Canada D-95-08: Phytosanitary import requirements for fresh temperate fruits and tree nuts (2019).

Insect (Lepidoptera)	Tortricidae	<i>Adoxophyes orana</i>	Canada, India, Israel, Mexico, Morocco, Thailand, United States of America	Canada D-95-08: Phytosanitary import requirements for fresh temperate fruits and tree nuts (2019), Information provided by NPPO of India, Israel Plant Import regulations (2009), Lista de plagas reglamentadas de México (2018), Morocco Order of the Minister of Agriculture, Maritime Fisheries, Rural Development and Water and Forests No. 593-17 of 15 kaada 1438 (August 8, 2017) relating to the health inspection of plants, plant products and other objects to be import, Information provided by the NPPO of Thailand, US Regulated plant pest table (2023).
Insect (Lepidoptera)	Gelechiidae	<i>Anarsia lineatella</i>	Territory of Taiwan	Information provided by the territory of Taiwan.
Insect (Lepidoptera)	Tortricidae	<i>Archips podanus</i>	India	Information provided by NPPO of India.

Insect (Lepidoptera)	Tortricidae	<i>Archips rosana</i>	India, Morocco	Information provided by NPPO of India,
Insect (Lepidoptera)	Tortricidae	<i>Argyrotaenia ljungiana</i>	Canada, United states of America	Canada D-95-08: Phytosanitary import requirements for fresh temperate fruits and tree nuts (2019), US Regulated plant pest table (2023).

Insect (Lepidoptera)	Carposinidae	<i>Carposina sasakii</i>	Belarus, Canada, EU, Great Britain, Israel, Mexico, Morocco, New Zealand	Belarus List of quarantine pests of the Eurasian Economic Union (2016 Updated 2023), Canada D-95-08: Phytosanitary import requirements for fresh temperate fruits and tree nuts (2019), EU legislation: 2019/2072 and 2016/2031, GB Phytosanitary Conditions Regulation (retained regulation (EU) 2019/2072), Lista de plagas reglamentadas de México (2018), Morocco Order of the Minister of Agriculture, Maritime Fisheries, Rural Development and Water and Forests No. 593-17 of 15 kaada 1438 (August 8, 2017) relating to the health inspection of plants, plant products and other objects to be import, New Zealand's list of regulated pests (2023).
----------------------	--------------	--------------------------	--	---

Insect (Lepidoptera)	Tortricidae	Choristoneura rosaceana	EU, Great Britain, Morocco	EU legislation: 2019/2072 and 2016/2031, GB Phytosanitary Conditions Regulation (retained regulation (EU) 2019/2072), Morocco Order of the Minister of Agriculture, Maritime Fisheries, Rural Development and Water and Forests No. 593-17 of 15 kaada 1438 (August 8, 2017) relating to the health inspection of plants, plant products and other objects to be import.
Insect (Lepidoptera)	Tortricidae	Cydia pomonella	Canada, China, India	Canada D-95-08: Phytosanitary import requirements for fresh temperate fruits and tree nuts (2019), Catalogue of Quarantine Pests for Import Plants to China (2007 - updated 2022), Information provided by NPPO of India.

Insect (Lepidoptera)	Tortricidae	Epiphyas postvittana	Canada, India, Mexico, Morocco, United States of America	Canada D-95-08: Phytosanitary import requirements for fresh temperate fruits and tree nuts (2019), Information provided by NPPO of India, Lista de plagas reglamentadas de México (2018), Morocco Order of the Minister of Agriculture, Maritime Fisheries, Rural Development and Water and Forests No. 593-17 of 15 kaada 1438 (August 8, 2017) relating to the health inspection of plants, plant products and other objects to be import, US Regulated plant pest table (2023).
Insect (Lepidoptera)	Pyralidae	Euzophera bigella	Canada	Canada D-95-08: Phytosanitary import requirements for fresh temperate fruits and tree nuts (2019).
Insect (Lepidoptera)	Pyralidae	Euzophera pyriella	Canada	Canada D-95-08: Phytosanitary import requirements for fresh temperate fruits and tree nuts (2019).

Insect (Lepidoptera)	Tortricidae	Grapholita dimorpha	Canada	Canada D-95-08: Phytosanitary import requirements for fresh temperate fruits and tree nuts (2019).
Insect (Lepidoptera)	Tortricidae	Cydia funebrana / Grapholita funebrana	Canada, India, Israel, Mexico, Thailand, United States of America	Canada D-95-08: Phytosanitary import requirements for fresh temperate fruits and tree nuts (2019), Information provided by NPPO of India, Israel Plant Import regulations (2009), Lista de plagas reglamentadas de México (2018), Information provided by the NPPO of Thailand, US Regulated plant pest table (2023)(Under <i>Cydia sp.</i>).

Insect (Lepidoptera)	Tortricidae	Cydia/Grapholita inopinata	Canada, EU, Great Britain, India, Israel, Mexico, Morocco, Tunisia	Canada D-95-08: Phytosanitary import requirements for fresh temperate fruits and tree nuts (2019), EU legislation: 2019/2072 and 2016/2031, GB Phytosanitary Conditions Regulation (retained regulation (EU) 2019/2072), Information provided by NPPO of India, Israel Plant Import regulations (2009), Lista de plagas reglamentadas de México (2018), Morocco Order of the Minister of Agriculture, Maritime Fisheries, Rural Development and Water and Forests No. 593-17 of 15 kaada 1438 (August 8, 2017) relating to the health inspection of plants, plant products and other objects to be import, Tunisia Arrêté du Ministre de l'Agriculture du 31 mai 2012, fixant la liste des organismes de quarantaine (2019).
----------------------	-------------	----------------------------	--	---

Insect (Lepidoptera)	Tortricidae	Grapholita lobarzewskii	Canada	Canada D-95-08: Phytosanitary import requirements for fresh temperate fruits and tree nuts (2019).
Insect (Lepidoptera)	Tortricidae	Cydia/Grapholita molesta	Belarus, Canada, India, Israel, Mexico, Thailand, Tunisia	Belarus List of quarantine pests of the Eurasian Economic Union (2016 Updated 2023), Canada D-95-08: Phytosanitary import requirements for fresh temperate fruits and tree nuts (2019), Information provided by NPPO of India, Israel Plant Import regulations (2009), Lista de plagas reglamentadas de México (2018), Information provided by the NPPO of Thailand, Tunisia Arrêté du Ministre de l'Agriculture du 31 mai 2012, fixant la liste des organismes de quarantaine (2019).

Insect (Lepidoptera)	Tortricidae	Cydia/Grapholita prunivora	China, EU, Great Britain, Israel, Mexico, Morocco, Norway, Tunisia	Catalogue of Quarantine Pests for Import Plants to China (2007 - updated 2022), EU legislation: 2019/2072 and 2016/2031, GB Phytosanitary Conditions Regulation (retained regulation (EU) 2019/2072), Israel Plant Import regulations (2009), Lista de plagas reglamentadas de México (2018), Morocco Order of the Minister of Agriculture, Maritime Fisheries, Rural Development and Water and Forests No. 593-17 of 15 kaada 1438 (August 8, 2017) relating to the health inspection of plants, plant products and other objects to be import, Regulations on plants and measures against plant pests Annex 1 Pests which are prohibited to introduce and spread in Norway (2013 updated 2019), Tunisia Arrêté du Ministre de l'Agriculture du 31 mai 2012, fixant la liste des organismes de quarantaine (2019).
----------------------	-------------	----------------------------	--	--

Insect (Lepidoptera)	Crambidae	Leucoptera malifoliella	Canada, India, United States of America	Canada D-95-08: Phytosanitary import requirements for fresh temperate fruits and tree nuts (2019), Information provided by NPPO of India, US Regulated plant pest table (2023).
Insect (Lepidoptera)	Tortricidae	Pandemis cerasana	India	Information provided by NPPO of India.
Insect (Lepidoptera)	Tortricidae	Pandemis heparana	India, Mexico	Information provided by NPPO of India, Lista de plagas reglamentadas de México (2018).
Insect (Lepidoptera)	Noctuidae	Peridroma saucia	India	Information provided by NPPO of India.

Insect (Lepidoptera)	Tortricidae	Platynota stultana	Great Britain, Morocco	GB Phytosanitary Conditions Regulation (retained regulation (EU) 2019/2072), Morocco Order of the Minister of Agriculture, Maritime Fisheries, Rural Development and Water and Forests No. 593-17 of 15 kaada 1438 (August 8, 2017) relating to the health inspection of plants, plant products and other objects to be import.
Insect (Lepidoptera)	Tortricidae	Spilonota albicana	Canada, Mexico	Canada D-95-08: Phytosanitary import requirements for fresh temperate fruits and tree nuts (2019), Lista de plagas reglamentadas de México (2018),
Insect (Lepidoptera)	Tortricidae	Spilonota ocellana	India, Mexico	Information provided by NPPO of India, Lista de plagas reglamentadas de México (2018).

Insect (Thysanoptera)	Thripidae	Frankliniella occidentalis	India, Morocco, Territory of Taiwan, Tunisia	Information provided by NPPO of India, Morocco Order of the Minister of Agriculture, Maritime Fisheries, Rural Development and Water and Forests No. 593-17 of 15 kaada 1438 (August 8, 2017) relating to the health inspection of plants, plant products and other objects to be import, Information provided by the territory of Taiwan, Tunisia Arrêté du Ministre de l'Agriculture du 31 mai 2012, fixant la liste des organismes de quarantaine (2019).
Mites (Acari)	Eriophyidae	Aculus schlechtendali	India	Information provided by NPPO of India.

Mites (Acari)	Tetranychidae	Amphitetranychus viennensis	Canada, India, Mexico, United States of America	Canada D-95-08: Phytosanitary import requirements for fresh temperate fruits and tree nuts (2019), Information provided by NPPO of India, Lista de plagas reglamentadas de México (2018), US Regulated plant pest table (2023)(under old name <i>Tetranychus viennensis</i>).
Mites (Acari)	Tetranychidae	Panonychus ulmi	China, Thailand	Information provided by the NPPO of Thailand.

Bacteria	Erwiniaceae	Erwinia amylovora	Belarus, China, India, Morocco, Norway, Thailand, Tunisia	<p>Belarus List of quarantine pests of the Eurasian Economic Union (2016 Updated 2023), Catalogue of Quarantine Pests for Import Plants to China (2007 - updated 2022), Information provided by NPPO of India, Morocco Order of the Minister of Agriculture, Maritime Fisheries, Rural Development and Water and Forests No. 593-17 of 15 kaada 1438 (August 8, 2017) relating to the health inspection of plants, plant products and other objects to be import, Regulations on plants and measures against plant pests Annex 1 Pests which are prohibited to introduce and spread in Norway (2013 updated 2019), Information provided by the NPPO of Thailand, Tunisia Arrêté du Ministre de l'Agriculture du 31 mai 2012, fixant la liste des organismes de quarantaine (2019).</p>
----------	-------------	-------------------	---	--

Bacteria	Pseudomonadaceae	<i>Pseudomonas cichorii</i>	Mexico, Thailand	Lista de plagas reglamentadas de México (2018), Information provided by the NPPO of Thailand.
Bacteria	Pseudomonadaceae	<i>Pseudomonas viridiflava</i>	Mexico, Thailand	Lista de plagas reglamentadas de México (2018), Information provided by the NPPO of Thailand.
Bacteria	Pseudomonadaceae	<i>Pseudomonas syringae</i> pv. <i>paulownia</i>	India	Information provided by NPPO of India.

Fungi	Botryosphaeriaceae	Botryosphaeria kuwatsukai	EU, Great Britain, Israel, Mexico, Tunisia, United States of America.	EU legislation: 2019/2072 and 2016/2031, GB Phytosanitary Conditions Regulation (retained regulation (EU) 2019/2072),Israel Plant Import regulations (2009)(Under old name <i>Botryosphaeria berengeriana f. sp. pyricola</i>), Lista de plagas reglamentadas de México (2018)(under old name <i>Botryosphaeria berengeriana f. sp. pyricola</i>),Tunisia Arrêté du Ministre de l'Agriculture du 31 mai 2012, fixant la liste des organismes de quarantaine (2019)(under old name <i>Botryosphaeria berengeriana f. sp. Pyricola</i>), US Regulated plant pest table (2023)(under <i>Botryosphaeria sp.</i>).
Fungi	Sclerotiniaceae	Botrytis cinerea	India	Information provided by NPPO of India.

Fungi	Pucciniaceae	Gymnosporangium clavipes	China, Great Britain, Mexico, Morocco, Norway, Tunisia,.	Catalogue of Quarantine Pests for Import Plants to China (2007 - updated 2022), GB Phytosanitary Conditions Regulation (retained regulation (EU) 2019/2072), Lista de plagas reglamentadas de México (2018), Morocco Order of the Minister of Agriculture, Maritime Fisheries, Rural Development and Water and Forests No. 593-17 of 15 kaada 1438 (August 8, 2017) relating to the health inspection of plants, plant products and other objects to be import, Regulations on plants and measures against plant pests Annex 1 Pests which are prohibited to introduce and spread in Norway (2013 updated 2019) (Under <i>Gymnosporangium spp</i>), Tunisia Arrêté du Ministre de l'Agriculture du 31 mai 2012, fixant la liste des organismes de quarantaine (2019).
-------	--------------	--------------------------	--	---

Fungi	Sclerotiniaceae	Monilinia fructicola	China, Israel, Moldova, Morocco, Norway, Tunisia	Catalogue of Quarantine Pests for Import Plants to China (2007 - updated 2022), Israel Plant Import regulations (2009), Moldova list of major pests and diseases of agricultural crops (2017) (under old name <i>Monilia fructigena</i>), Morocco Order of the Minister of Agriculture, Maritime Fisheries, Rural Development and Water and Forests No. 593-17 of 15 kaada 1438 (August 8, 2017) relating to the health inspection of plants, plant products and other objects to be import, Regulations on plants and measures against plant pests Annex 1 Pests which are prohibited to introduce and spread in Norway (2013 updated 2019), Tunisia Arrêté du Ministre de l'Agriculture du 31 mai 2012, fixant la liste des organismes de quarantaine (2019).
-------	-----------------	----------------------	--	--

Fungi	Sclerotiniaceae	Monilinia fructigena	Canada, India, Mexico, New Zealand, Russian Federation, United States of America	Canada D-95-08: Phytosanitary import requirements for fresh temperate fruits and tree nuts (2019), Information provided by NPPO of India, Lista de plagas reglamentadas de México (2018), New Zealand's list of regulated pests (2023), Russian Federation List of quarantine pests of the Eurasian Economic Union (2016 Updated 2023)(under <i>Monilinia fructicola</i>), US Regulated plant pest table (2023)(under <i>Monilinia sp</i>).
Fungi	Sclerotiniaceae	Monilinia polystroma	Canada	Canada D-95-08: Phytosanitary import requirements for fresh temperate fruits and tree nuts (2019) (under old name <i>Monilia polystroma</i>).
Fungi	Dermateaceae	Neofabraea alba	China	not on regs list

Fungi	Dermateaceae	Neofabraea malicorticis	China, India	Catalogue of Quarantine Pests for Import Plants to China (2007 - updated 2022)(Under old name <i>Pezicula malicorticis</i>), Information provided by NPPO of India.
Fungi	Nectriaceae	Neonectria ditissima	Israel	Israel Plant Import regulations (2009) (under old name <i>Nectria galligena</i>).

Fungi	Botryosphaeriaceae	Phyllosticta solitaria	EU, Great Britain, Israel, Mexico, Morocco, Norway, Tunisia,.	EU legislation: 2019/2072 and 2016/2031, GB Phytosanitary Conditions Regulation (retained regulation (EU) 2019/2072), Israel Plant Import regulations (2009), Lista de plagas reglamentadas de méxico (2018), Morocco Order of the Minister of Agriculture, Maritime Fisheries, Rural Development and Water and Forests No. 593-17 of 15 kaada 1438 (August 8, 2017) relating to the health inspection of plants, plant products and other objects to be import, Regulations on plants and measures against plant pests Annex 1 Pests which are prohibited to introduce and spread in Norway (2013 updated 2019), Tunisia Arrêté du Ministre de l'Agriculture du 31 mai 2012, fixant la liste des organismes de quarantaine (2019).
