

IPPC OBSERVATORY FORM FOR SUBMISSION OF TOPIC FOR SURVEY / STUDY

The IPPC Observatory is an evaluation system of the International Plant Protection Convention (IPPC) that monitors the implementation of the IPPC, the International Standards for Phytosanitary Measures (ISPMs) and the recommendations of the Commission on Phytosanitary Measures (CPM).

The IPPC Observatory conducts general surveys that provide NPPOs with a global picture of the IPPC and ISPM implementation as well as IPPC-related thematic studies and surveys providing data to adjust or develop national phytosanitary systems. Topics submitted for IPPC Observatory studies and surveys must comply with objectives of the IPPC strategic framework and be of interest to the IPPC community.
