International Plant Protection Convention Call for Phytosanitary Treatments

Dear Sir/Madam,

The International Plant Protection Convention (IPPC) Secretariat is soliciting submissions of data for phytosanitary treatments. Submissions are due **1 September 2012**.

Submissions of data for phytosanitary treatments being solicited:

- Modified atmospheres and controlled atmospheres for fruit flies
- Soil and Growing Media
- Irradiation treatments

The submission of data should include all of the information required and outlined in [ISPM 28:2007 Phytosanitary treatments for regulated pests](#), the [Draft IPPC Strategic Framework](#) and the [Criteria for justification and prioritization of proposed topics](#).

Instructions for making submissions

Nominations will be accepted from National or Regional Plant Protection Organizations (NPPOs or RPPOs). Submissions of data should be from the respective NPPO or RPPO Contact Point.

Please completely fill out the [Submission Form for Phytosanitary Treatments](#) and submit it along with all supporting documentation to the IPPC Secretariat by e-mail (ippc@fao.org) no later than **1 September 2012**. The name of the nominating country or RPPO and the words "Call for Phytosanitary Treatments" should be placed in the subject line of the email message. The Technical panel for phytosanitary treatments (TPPT) will review the submissions of data at its next meeting.

Yours sincerely,

Brent Larson
Standards Officer
Secretariat for the International Plant Protection Convention
